Durg, Chhattisgarh - 491001, INDIA

SUMMARY

Full-stack JavaScript developer with 3 years of MERN stack experience, building scalable web applications and delivering end-to-end features. Strong in API optimization, performance tuning, and team collaboration.

EXPERIENCE

- **CONSTACLOUD – Commercium (Multi-channel ERP & Inventory Integration Platform)** Jan 2025 – Aug 2025
Frontend Developer Korba, Chhattisgarh
 - Built ERP module for multi-channel inventory, pricing, and shipping, aligned with Commercium's sync capabilities.
 - Optimized dynamic settings UI using a meta-API layer, improving performance and reducing API overhead.
 - Implemented sales and order management interfaces using React Data Table, enabled efficient pagination, sorting, and multi-select, improving order processing performance and usability.
 - Built CI/CD pipelines in Bitbucket for Commercium's React application, using YAML configuration to automate testing and server deployment with each commit.
 - Mentored junior engineer, led code reviews, and advocated for reusable, consistent frontend components.
- **XyleneTech – RFID Based Realtime Game Platform** Nov 2024 - Dec 2024
Freelance Full Stack Developer Durg, Chhattisgarh
 - Developed Node.js backend to handle RFID inputs, game logic, and real-time session tracking via WebSocket.
 - Integrated peer-to-peer live streaming using WebRTC for dealer-player video interactions.
 - Built React frontend with synced game state, live video overlay, and secure wallet/auth flows.
- **EVINDIA– Electric Vehicle Marketplace** Jan 2024 - Sept 2024
Full Stack Developer Ahmedabad, Gujarat
 - Architected Partner APIs for OEMs (Ola, Vida, TVS), resulting in a 25% increase in lead generation and business.
 - Optimized MongoDB and scalable APIs to handle 1M+ leads, improving performance by 30% and reducing processing time by 40%.
 - Integrated webhooks to automate lead transfers from chatbots and CRMs, boosting lead conversion rates by 15%.
 - Built a React admin panel with Excel import/export, filters, and role-based access, reducing admin effort.
 - Built dynamic landing pages using Next.js for OEMs, configured through admin panels, leading to faster page load and enhanced user engagement.
 - Managed backend APIs and data storage on Amazon S3, implementing API logging and monitoring.
 - Enhanced SEO and analytics on Next.js pages, increasing traffic by 40% and improving search rankings by 15%.
- **GLOBUSSOFT – EmpMonitor (Workforce Analytics & Productivity Management)** Sept 2022 - Dec 2023
Software Developer (NodeJs) Bhilai, Chhattisgarh
 - Developed a workforce management app from scratch, handling employee tasks, projects, and real-time features.
 - Designed REST APIs with Node.js using modular architecture and ES6, following SDLC and agile practices.
 - Implemented JWT-based authentication and authorization; managed dynamic MongoDB operations.
 - Built chat and messaging modules with private/group chats, file sharing, and messaging options.
 - Built real-time chat and notification system using Socket.io and Next.js for admin-employee interaction
- **Shivnath Hyundai Dealership** Feb 2019 - Oct 2021
Sales Executive Durg, Chhattisgarh

SKILLS

- Advanced : Node.js, Express.js, Jwt, Jest, MongoDB, Redis, Socket.io, Swagger, Git, GitLab, BitBucket
- Intermediate : React, Next.js, Redux, MySQL, SASS, Material-ui, CI/CD, Tailwind, Firebase, Docker, AWS

PROJECTS

- **MEDICAL RECORDS** <https://patientrecord.vercel.app>
 - Patient records like diagnostic info and appointments are maintained by this app.
 - User email verification with link sent using Nodemailer.
 - User social login with Google OAuth 2.0, redux used for user state management.
- **CHAT-MATRIX** <https://chatmatrix.netlify.app>
 - Realtime chat application built with MERN stack and socket.io
 - Private chat, Group chat with latest message display and realtime new message notifications.
 - Private Video Call feature with media controls built using WebRTC and peer.

EDUCATION

- **The Institution Of Engineers** 2013 - 2018
A.M.I.E in Mechanical Engineering with 7.1 cgpa Kolkata, India
