Durg, Chhattisgarh - 491001, INDIA

SUMMARY

Full stack software developer with about 2 years of experience in the MERN stack, building scalable web applications and collaborating effectively within teams.

EXPERIENCE

- **EVINDIA** — *Jan 2024 - Sept 2024*
  Full Stack Developer — Ahmedabad, Gujarat
  - Architected Partner APIs for OEMs (Ola, Vida, TVS), resulting in a 25% increase in lead generation and contributing to overall business growth.
  - Optimized MongoDB and scalable APIs, successfully managing 1M+ leads, improving query performance by 30%, and reducing data processing time by 40%.
  - Integrated webhooks to automate lead transfers from chatbots and CRMs, boosting lead conversion rates by 15% and streamlining business operations.
  - Developed a React-based admin panel supporting Excel import/export, filtering, pagination, and role-based access, reducing admin workload by 20%.
  - Built dynamic landing pages using Next.js for OEMs, configured through admin panels, leading to a 35% faster page load and enhanced user engagement.
  - Managed backend APIs and data storage on Amazon S3, implementing API logging and monitoring, which improved data integrity and uptime by 99.9%.
  - Optimized Next.js pages for SEO, Google Analytics and performance, increasing traffic by 40% and boosting search ranking by 15%.
  - Oversaw deployments, ensuring zero downtime and 25% faster releases.

- **Globussoft Technology** — *Sept 2022 - July 2023*
  Software Developer (NodeJs) Intern — Bhilai, Chhattisgarh
  - Developed a workforce management app from scratch, handling employee tasks, projects, and real-time features.
  - Designed REST APIs with Node.js using modular architecture and ES6, following SDLC and agile practices.
  - Implemented JWT-based authentication and authorization, and managed MongoDB operations with dynamic collections.
  - Built chat and messaging modules with private/group chats, file sharing, and messaging options.
  - Created a notification UI in Next.js for admin and employee interactions.
  - Developed a Socket server for real-time chats and notifications.

- **Shivnath Hyundai Dealership** — *Feb 2019 - Oct 2021*
  Sales Executive — Durg, Chhattisgarh
